SPECIAL NOTICE.

The Ledger today invites every thinking man, professional man and plain citizen to read the Board of Trade article on page four in this issue. It means much to Maysville's future. Let us act upon it. Send in your suggestions.
C. E. DIETRICH, General Manager.

FIELD DAY LEAGUE PARK JULY FOURTH.

Field day will be observed on the afternoon of July 4 at League Park. The events will include fango bathing, base running, long throws, 100-yard dash and other field sports and many useful prizes will be offered for the winners.

A large number of the merchants have already been seen and others will be asked to contribute so that the prizes will be well worth the effort and besides these prizes the Maysville Regulars will offer a cash prize in each event.

An added attraction will be a baseball game between the Regulars and some strong team from Covington or Cincinnati. O'Hannan will play with the Regulars and as his hitting is quite a feature, the Regulars feel confident that they will render an excellent account of themselves, no matter how strong the visitors may be.

BANK OF MAYSVILLE.

In the issue of June 22, the Bank of Maysville published a statement of its condition at the close of business on June 15, and the officers are to be congratulated upon the showing made.

The bank has a surplus fund equal to its capital and the undivided profits after deducting taxes and expenses are nearly 10 per cent more. The significance of these two accounts is that they offer just that much more security to the depositors and their steady increase indicates that the bank is managed upon a profitable and conservative basis, entitling it to the confidence of the people and the respect of the banking world.

Business envelopes, size 6 1/2, 75 cents per thousand. Less than 2 cents for twenty-five.

FARMERS AND TRADERS BANK MAKES SPLENDID SHOWING IN LAST STATEMENT.

In yesterday's paper there appeared the statement of the Farmers and Traders Bank, showing its condition at the close of business on June 15.

The statement shows a most healthy and prosperous condition and places this bank among the leading financial institutions.

The Farmers and Traders is not an old bank, but its officers, by careful and conservative, though progressive management, have, in a remarkably short space of time succeeded in building its business until it now occupies an enviable position in the banking world and while it is still not the largest, it is among the strongest and its recent progress indicates that before long it will be as large as it is solid.

FUNERAL OF THOMAS A. DAVIS.

The funeral of Mr. Thomas A. Davis will take place from his late residence, on River View Terrace this afternoon at 2:30 o'clock. Rev. F. W. Harp, of Latonia, and Rev. W. B. Campbell, of this city, will officiate.

The pallbearers will be Messrs. John Shepard, E. A. Robinson, A. G. Suiter, J. C. Rains, John W. Thompson and Thomas M. Russell.

The honorary pall bearers will be Messrs. J. Foster Barbour, A. F. Curran, A. M. J. Cochran, John Altmeier, W. C. Watkins and W. H. Robb.

LAWN FETE.

On Wednesday evening, June 30, there will be a lawn fete at the residence of Mrs. John L. Whitaker for the benefit of the organ fund of the Episcopal church. Refreshments will be served, fortunes told and a general good time is promised. Come and help the cause.

DANCE A SUCCESS.

The dance given Thursday night at Beechwood Park by Mr. Thomas King was a success, many attending. The music was furnished by the Maysville Saxophone Trio, and the refreshment booth was in charge of M. G. Birely & Son.

On account of the heavy passenger traffic over the C. & O., train No. 5 was divided this morning into two sections, the second section having aboard eighty-nine passengers bound for the Panama Exposition at San Francisco, via Chicago. Who says business is dull with the C. & O.?

Hon. Thomas Slattery, United States District Attorney for the Eastern District of Kentucky, is in Maysville this week visiting relatives.

Mr. George Coleman, of Mt. Sterling, was a business visitor on Wednesday.

BEAUTIFUL EDEGMONT

Let Sale a Big Success—Many Lots Sold—Building Site Finest in Vicinity.

Thursday afternoon the big lot sale at "Edgemont-on-the-Hill," Maysville's new suburb, was conducted by the Bowman Realty Company, of Huntington, W. Va., for account of Messrs. N. S. Calhoun and Stanley Reed, the owners.

After an opening address by Mr. L. H. Cammack, secretary-treasurer of the realty firm, Col. E. E. Lumis was introduced as auctioneer, and the big sale started by selling Lot No. 22 to Col. Thomas Winters, of Court street, for \$225.

The sale continued all afternoon, and the lots were eagerly bought by the citizens of this city, who can see the possibilities of the future for that section. Messrs. Calhoun and Reed had arranged for the comfort of all who attended, having provided a large tank of ice water for the thirsty, while the F. H. Traxel Company had a soft drink wagon on the grounds, and many vendors selling delicacies to those who were hungry. Messrs. Reed and Calhoun had also provided more than a dozen autos to convey the prospective buyer from the heart of the city to the cool heights above, and many took advantage of this means of getting to the sale.

The twilight sale was also well attended, as many citizens strolled out to the pretty suburb to hear the fine music rendered by the Aberdeen Brass Band. Many lots were sold after supper, and the sites were still in demand when darkness stopped the sale.

Thursday evening at the office of Mr. Reed, in Court street, the results of the sale were figured up and the success of the undertaking was a big surprise to both owners and to the promoters. There were forty-four lots sold, aggregating more than \$7,500, which makes an average of \$175 a lot. The promoters feel sure that if they had had a little more time they would have sold all of the sixty lots without much trouble, and as they can not hold another auction, they will sell the lots privately at auction prices.

Mr. LeWright Browning and Mr. W. H. Rees bought nine lots on the point of old Fort Hill. The free lot given away by Messrs. Calhoun and Reed was won by Mrs. Fannie Blaine, of this city, and the fifty other valuable prizes were distributed at times during the sale.

Others who bought lots were as follows:

W. W. Wikoff, Thomas Winters, Mrs. T. M. Russell, Mrs. J. F. Barbour, Mrs. J. W. Powers, Mrs. D. E. Fee, Mrs. H. T. Davidson, Miss Florence Rogers, J. C. Rogers and H. W. Cole.

Many of the purchasers of the lots will erect residences as soon as gas and water are installed, which will be within a few weeks.

SOCIAL NEWS.

Mrs. Hall Storde entertained the Five Hundred Club on Thursday afternoon with one of the most successful five hundred parties in its history.

The club prize was won by Mrs. C. Ed. Geisel. Mrs. Walter Worthington won the guest prize, and Mrs. Ross won the general prize.

Delightful refreshments were served and a most enjoyable afternoon was spent.

Mr. and Mrs. W. S. Tully entertained a number of friends with a sumptuous dinner at their home in Helena, Sunday, in honor of their guest, Rev. J. L. Finnell, of Lexington, Ky. Among those present were Miss Nellie Finnell, of Kansas City, Mo.; Miss Julia D. Rice, of Lewisburg, Ky.; Misses Ethel Griffin, Katie Hughes, Dr. and Mrs. W. G. Phillips, Mr. and Mrs. Avery Ewan, Verner Ewan, of Helena, Ky., and Mr. and Mrs. Preston Seamounts, of Wedonia, Ky.

BAND CONCERT.

Thursday evening the Germantown Brass Band, of fourteen pieces, gave a concert in front of the store of George H. Frank from 8 to 9 o'clock. The concert was enjoyed by a crowd of about 1,000 music lovers, the jam at several times stopping traffic. After the sale at Edgemont, the Aberdeen Brass Band, which had been playing at that place, came down the street and stopped in front of F. H. Traxel's, where they rendered several selections. The crowd urged the bands on until a friendly contest for the supremacy of the musical honors of this vicinity was in full blast. After about an hour of playing by both bands, they stopped with honors about even. The treat was enjoyed immensely and there was much talk of Maysville's being out done by her smaller sisters, in that there is nothing like a band within the borders of this city.

Mr. W. H. Mead and wife were in Cincinnati Thursday shopping.

BASEBALL SUNDAY.

The Regulars will meet the Cincinnati Emeralds on Sunday at League Park and a fast game is promised.

The Emeralds are one of the best teams out of Cincinnati and have been putting up the kind of ball this season that makes you glad you saw the game. They are coming with the idea of taking the Regulars into camp, but from the way the Regulars have been working and from the improvements seen in their practice efforts, it is probable that the Cincinnatians have reckoned without their host. Both teams are determined to capture the game and the indications are that it will be one of the best of the season. Come out and root for the local boys.

CHAUTAUQUA PARTY.

Mr. W. H. Alexander, Chautauqua advertising man, who has been here for the past ten days looking after the interests of the Chautauqua, headed an automobile party this morning, which had for its purpose the advertising of Maysville's Chautauqua. They will visit Maysville, Ewing, Newport, Ellettsville, Flemingsburg, Helena, Lewisburg, Minerva, Germantown and Dover. Luck to them and may their efforts swell the attendance during Chautauqua week.
